HERE ARE SOME BASIC SAFETY TIPS TO KEEP IN MIND THIS EID AL-FITR

Eid is a time of celebration, after completing the important religious duty of fasting, we have tailored some advice and safety tips to help keep you and others safe as we continue to deal with the ongoing coronavirus (Covid-19) pandemic. We’ve listed some safety tips to observe during this celebration:

- Remain alert to your surroundings when leaving your home for work, essentials, or exercise, and always observe the social distancing measures of 2 metres.

- If you use public transport, note down departure times, your nearest bus stops, and other identifiable information (e.g. bus numbers or which carriage of a train you entered).

- Supermarkets and shops will enforce social distancing measures. Please remain vigilant when queuing or when working as a security, and report any abuse or discrimination to management, the police, or Tell MAMA in confidence.

- If you face abuse online, note down the URL or send us a screenshot so we can investigate.

- If abused or attacked, call 999 in an emergency, otherwise, call the non-emergency 101 number, or, report hate crimes and incidents online to Tell MAMA and via the True Vision platform.

- If safe to do so, take a photograph or video of the perpetrator(s), and try to remember their identifiable features (e.g. distinct clothing, appearance, tattoos, piercings), any vehicle registration details (if relevant), make a note of the time and location of the incident (to the best of your knowledge).
