

# SAFETY TIPS FOR EID AL-ADHA

Eid Mubarak!

As protocol, we are reissuing our safety tips and advice for individuals as we celebrate and observe Eid al-Adha 2021:

- ✓ Remain alert to your surroundings when leaving your home to visit friends, family or attend prayers at the mosque – where possible, stick to familiar and well-lit routes.
- ✓ If you use public transport, note down departure times, nearest bus stops, and other identifiable information (e.g. bus numbers or carriage of a train you entered).
- ✓ Please remain vigilant when queuing in shops or working as a security guard, and report any abuse or discrimination to management, the police, or **TellMAMA** in confidence.
- ✓ Taxi drivers, especially during nights, can refuse fares if they feel the passenger(s) may pose a risk. Therefore, ensure doors are locked until you are comfortable about accepting a fare.
- ✓ If abused or attacked, call 999 in an emergency. Otherwise, call the non-emergency 101 number or report hate crimes and incidents online to **TellMAMA** and via the True Vision online platform.
- ✓ If safe to do so, take a photograph or video of the perpetrator(s), and try to remember their identifiable features (e.g. distinct clothing, appearance, tattoos, piercings), any vehicle registration details (if relevant), make a note of the time and location of the incident (to the best of your knowledge).
- ✓ If you face abuse on social media, note down the URL or send us a screenshot to investigate, as **TellMAMA** has trusted flagger status with all major social media platforms.
